After reading the section, carefully and thoroughly answer the following questions in complete sentences and supporting details. Failure to follow these steps will result in a PAWS referral, so do it right the first time!

1. Why was Abraham Lincoln reluctant to issue the Emancipation Proclamation?
2. For what reasons did Lincoln decide to issue the Emancipation Proclamation anyway?
3. In what way was the Emancipation Proclamation limited? Why do some people argue that it didn't really free any slaves at first?
4. How did African-Americans contribute to the Union war effort?
5. In what role were African-Americans able to serve in the northern army at first? How did this change over time?
